

volzDispenser 161-0269F

volzDispenser 161-0269-F is a fully automatic, all-round tape dispenser. Thanks to its folding function, it can fold 7 mm tabs at the beginning of a tape strip, making removal quick and easy. In addition, the dispenser can be used as a conventional tape dispenser at the touch of a button, thus expanding its range of applications. With its program memory of 6 different lengths, volzDispenser 161-0269-F allows one to preset the desired sections from 5 to 999 mm and conveniently recall them as needed. Depending on the application, the device can be set to manual, automatic or sequence mode.
