Dear customers and valued business partners,
Ladies and gentlemen,

It is with heavy hearts that we must inform you that Werner Benz passed away on May 17, 2025, at the age of 84. His death is a great loss for all of us, and we mourn the passing of an extraordinary person and personality who had a significant impact on our company and our lives.

Werner Benz had been working in adhesive tape sales since 1967. He was not only an expert in adhesive technology, but also an important point of contact in application technology when it came to solving complex and demanding applications. His expertise and commitment made him an indispensable partner for our customers, suppliers, and colleagues. Our new employees in particular enjoyed drawing on his expertise in their day-to-day work. He was the go-to person for everyone. "If anyone knows, it's Werner Benz!"

Werner Benz was also an outstanding entrepreneur and problem solver. His ability to find customized solutions and always achieve the best results for everyone involved was greatly appreciated by his customers and colleagues alike. His positive attitude and dedication have had a lasting impact on our team and our partnerships.

His motto was always: "You should combine the useful with the pleasant!" We not only lived by this motto, we internalized it. As a result, we were able to enjoy countless pleasant hours with him on business trips or at events, but also in the circle of his family.

He was not only an entrepreneur and manager, but also a family man and active in several clubs on a voluntary basis. He always made people feel at home, whether over a good glass of wine or a freshly tapped beer. A cozy atmosphere was always guaranteed.

His great hobby was skiing and the mountains. And many tape applications were brilliantly solved on the slopes or even on the ski lift with his cell phone to his ear.

We will miss Werner Benz as a consultant, mentor, and friend. We were able to spend many wonderful hours and discussions with him, which will remain etched in our memories.

In these difficult times, we would like to thank you for your support, understanding, and loyalty. We will do everything in our power to ensure the continuity of our cooperation and to carry on Werner Benz's legacy in his spirit.

His son, Gerhard Benz, will take over his area of responsibility.
